May 1, 2019

Dear Sir or Madam,

Canadian Mental Health Association is a non-profit organization serving Camrose and former East Central Health Region. We provide ongoing opportunities for adults with severe and persistent mental illness to engage in activities and receive assistance to maintain their social, physical, and emotional well-being.

We would like to once again thank you for your support of our 20th annual golf Tournament; the Val Wolski Memorial Golf Tournament. Your prize donations were greatly appreciated and helped to make our tournament a success. With your help we were able to provide prizes to all participants and hold a silent auction.

This year we will be holding our **21st** Annual Golf Tournament on July 6, 2019 at the Camrose Golf Course. In honor of the memory of a dear co-worker and friend, our tournament will continue to be named the *Canadian Mental Health Association Val Wolski Memorial Golf Tournament*.

We are asking local businesses and organizations to make a donation to this event in the form of the following: *silent auction items, four identical items for a team prize, gift certificates or cash donations*. At any level of donation you will have your company's name displayed before the golfers and spectators who will attend the tournament. Donations are tax deductible and a receipt will be provided if requested. All monetary donations support our local programs.

If you wish to make a donation, please contact C.M.H.A. at 1-780-672-2570. Representatives from C.M.H.A. will be following up on this letter by phoning or visiting your place of business throughout the next few months. Please join us and make a donation. We are counting on you!

Sincerely,

Colleen Swanson
